

WALL TOP FENCE

3-RAIL, ALUMINUM FLUER DE LIS OPEN PICKETS BETWEEN COLUMNS

A Fairfield County, CT favorite, wall top (wall topper) fence is one of the more prolific designs seen in the surrounding area. Whether combined with a rock wall build, installed anew on an existing wall, or replacing a current wall top with new materials, our experienced team of masons and fence installers establish clean, level lines in all kinds of rock or cement landscape or retaining walls. A full array of materials and designs are available to match the unique style of homes.
